

AT&L Performance Learning Model

Shaping a culture that promotes career-long learning through...

Training

through web-enabled and classroom courses with case-based instruction aimed at developing critical thinkers

<http://www.dau.mil/catalog>

<https://learn.dau.mil>

Continuous Learning

with self-paced, relevant training modules, available 24/7, to help meet continuous learning requirements and improve job performance

<http://clc.dau.mil>

Performance Support

with rapidly delivered program, technical, and business solutions offered to the Defense AT&L Workforce through on-site consulting, targeted training, and rapid deployment training

http://www.dau.mil/performance_support

Knowledge Sharing

through the AT&L Knowledge Sharing System and the Acquisition Community Connection where they connect with experts, peers, and acquisition resources

<http://akss.dau.mil>; <https://acc.dau.mil>

We are the vital link to ensure that a trained and qualified workforce is in place to provide for the needs of the warfighters

Knowledge Sharing

Our Commitment . . .

At DAU, we strive to provide our customers an experience marked by:

Quality of our products

Relevance of our learning solutions

Responsiveness of our faculty and staff

Connection with others from the AT&L community

Responsive

Connected

Relevant

Quality

To ensure we meet your needs, we have established evaluation and feedback mechanisms for each of our products and services. Your comments are not just put on a shelf. We carefully analyze them and make timely, effective enhancements to our learning solutions.

Regardless of what time zone you're in...DAU is open for business

Training Courses

Certification Assignment-Specific Executive and International

Our more than 1,200 course offerings are delivered in a classroom setting at one of our five regional campuses or ten satellite locations, or via the Internet. Courses are also taught at customer sites.

For more info:

**www.dau.mil/catalog, or
<https://learn.dau.mil>
703-805-3003, 888-284-4906
Student.Services@dau.mil**

Feedback Tool

At the end of each course, we survey students on several aspects of the course including course content, course work, faculty and job applicability. Faculty members and course managers have full access to the results for their courses. Both faculty and course managers review results and work to address shortfalls. After 60 days, we e-mail each student a follow-up survey. After six months, we follow up with randomly selected managers of our students to better determine organizational impact.

Continuous Learning

Continuous Learning Modules

The AT&L Workforce is required to take 80 hours of continuous learning every two years. To help meet that need, DAU offers a wide variety of continuous learning modules on many topics. We are constantly adding modules to keep the workforce abreast of changes in policy.

For more info:

**<http://clc.dau.mil>, or
703-805-3459
1-866-568-6924**

Feedback Tool

At the end of each DAU-developed Continuous Learning Module is a course feedback survey. Students must complete this survey before they receive their certificate of completion. Course owners review the survey results for their courses and incorporate improvements. Non-course comments or site-specific technical questions about the CLC can be e-mailed to: dauhlp@dau.mil

Performance Support

Consulting Targeted Training Rapid Deployment Training

Our performance support services are provided to DoD and civilian agencies to help them resolve individual project and agency-level acquisition problems. We also provide immediate training on new policy initiatives and training targeted at an organization's unique needs.

For more info:

**www.dau.mil/performance_support,
or 703-805-2612
psdau@dau.mil**

Feedback Tool

At the end of each **consulting effort**, the customer is asked to provide feedback. Following each **targeted training** event, students respond to an online course survey similar to the one used for our certification and assignment-specific courses. DAU reviews the results for both consulting and targeted training efforts and incorporates improvements.

Knowledge Sharing

AT&L Knowledge Sharing System Acquisition Community Connection Virtual Library

DAU hosts the AT&L Knowledge System, consisting of the AT&L Knowledge Sharing System (AKSS) and the Acquisition Community Connection (ACC). AKSS is the central gateway for all AT&L resources and information. ACC is the collaborative arm with a variety of knowledge communities.

For more info:

**<http://akss.dau.mil>, or
<https://acc.dau.mil>
703-805-4640**

Feedback Tool

Users of both AKSS & ACC can provide feedback through the "feedback" link. DAU reviews comments weekly and incorporates improvements and suggestions as appropriate.
